## Dear young beach volleyball friend!

Pärnu Volleyball Club is pleased to announce that this year is the 10th anniversary of beach volleyball festival Petronas Beach Fest! The tournament will take place at Pärnu beach on 3-4 July. In addition to the tournament the 10th year will bring along also some entertainment and fun for the payers! We invite young volleyball players in age groups U14, U16, U18, and U20 to participate.

Over the years, the number of participants has grown rapidly. Starting with 150 young volleyball players on ten courts to almost 400 players on 20 courts previous years. We have had international guests from Latvia, Lithuania, Finland, Sweden, Russia and even Kazakhstan. In addition to the magnificent volleyball we are planning to entertain players and enjoy the beautiful summer weather in Pärnu!

Our objective is to provide competition not only to the local young people but also to the volleyball players from Finland, Sweden, Latvia, Lithuania, Russia and other countries near and far! It is also a great goal to exceed eventually the limit of 500 participants!
